Dear Texas University Student,

The San Antonio ACI Chapter is proud to offer scholarship opportunities to students pursuing degrees in Civil Engineering, Construction Science and Management, and Concrete Industry Management at colleges and universities throughout Texas.

Our goal is to support the next generation of professionals in the concrete, construction, and civil engineering industries. Scholarship awards are a minimum of \$2,000, with the potential for higher awards based on available funding.

All eligible students are encouraged to apply. While minimum qualifications have been established, every application received will be reviewed and considered based on its own merits, including academic performance, leadership, industry involvement, and career goals.

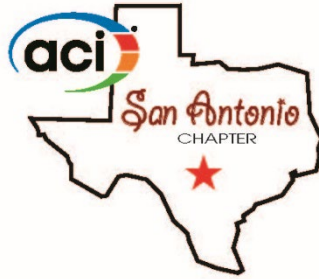

All application materials must be submitted by October 31, 2026.

Thank you for your interest in the San Antonio ACI Chapter Student Scholarship Program. We look forward to learning more about your academic achievements and professional aspirations.

If you have any questions about the application process, contact cavin.ordaz@capitolaggregates.com.

Sincerely,

Cavin Ordaz
